## Celebrating Excellence in Education and Nurturing Sustainable Lives

Dear Students, Parents, and Staff,

I am thrilled to share some incredible news with all of you - Ashoka Universal School, Sinnar, has been ranked 1st in Holistic Education in Maharashtra's Top ICSE Schools by 'Education Today' at the Maharashtra School Merit Awards 2023-24! This achievement is a testament to the unwavering dedication and commitment of our entire school community.

As we celebrate this achievement, let us remember that academic performance is important, but implementing life skills and fostering a sustainable life are equally important. We remain committed to nurturing young minds for a brighter, more responsible future.

Thank you for being an integral part of our journey towards excellence and sustainability!

## WELCOMING OUR BAPPA

Our School's eco-friendly Bappa, embracing the spirit of Seva, brought seven days of devotion, happiness and unity.

From Ganesh Sthapana to Visarjan it was a journey of joy and devotion. The theme fostered around 'Seva.'

Our students participated in the skit that depicted Bappa's Birth and a deeper understanding of his role.

## Tree

I think that I shall never see,  
A poem as lovely as a tree

I think that tree is butterfly,  
It should never die

Trees like books which we read,  
And I sow a nice seed

Trees are nice  
It cannot grow twice

Tree are joint with root,  
They give us sweet fruit

I think that is why,  
It should never die

I think trees are not wool,  
You should go to school

Tree are never old,  
Which should never be sold.....
