Education - A Powerful Tool!

Dear Students, Parents, and Staff,

I am thrilled to share with you the momentous achievement of Ashoka Universal School, Sinnar, at the Mimansa-Principal's Conclave Mumbai Chapter. It is with immense pride that we announce our school's recognition for its 'Outstanding Contribution to International Education.'

DR. PRIYA AHER
HEAD OF SCHOOL

Education, beyond textbooks and classrooms, teaches us invaluable life lessons. It is a powerful tool that not only imparts knowledge but also nurtures the values that make us better individuals. It instills in us the importance of recognizing and appreciating what is good, while also empowering us to voice our concerns against what is wrong.

Through education, we cultivate a sense of responsibility, empathy, and integrity, shaping individuals who are not just academically proficient but also morally upright. Let us continue to inspire excellence, nurture global citizens, and uphold the values that make education a powerful force for positive change.

Together, we can empower our students to not only reach for the stars but to shine brightly among them.

NAVRATRI CELEBRATIONS

OUR STUDENTS PERFORMED AN ACT DEPICTING ALL THE NINE AVTARS OF DURGA MAA

GARBA FOR MOMS - ASHOKA GARBA QUEENS

WITH THE BLESSINGS OF DEVI MAA

For nine magnificent days, our students informed us about all the Nine Avtars of Maa Durga.

Our students, also showcased their creativity with a spectacular Dussehra skit, portraying the victory of good over evil. The message of righteousness and truth was beautifully depicted.

And what's Navaratri without some foot-tapping Garba?

Our super moms too joined in the celebration, embracing the traditions and groove of Garba with enthusiasm.

FOLK DANCE CELEBRATION
